 **SHDIATool**
PROFESSIONAL SUPPLIER

Better Quality, Better Future

SHANGHAI DIATool CO., LTD.

Brand Introduction →

Our Brand “SHDIATool” comes from the abbreviation of “SHANGHAI DIAMOND TOOLS”.

The logo consists of three parts: icon of Saw Blade, Brand “SHDIATool” and our Company vision “Professional Supplier”. We use the steady and vibrant dark blue and black as main colors of our logo, to show our brand’s character of stability, innovation and vitality.

Company Profile →

01 | Since 1995

Our company is one of the first practitioners of diamond tool industry in China. In 1995, our small workshop produced the first batch of sintered diamond saw blades. And then our products were sold to European market, that was our first step of the international business of diamond tools. Since then our products were constantly being tested and validated by global market.

We always focused on products with stable and professional quality, by insisting strict quality control and inspection system. Meanwhile, we kept investing in researching and developing new products to rich our product catalogue and meet customers’ various application requirement.

02 | Since now

We have specialized in this business line for more than 20 years, and we did win some good reputation in the global market.

We have established a complete diamond tools products line, which had been exported to all over the world, including North and South America, Europe, Mid East, Australia, Africa and so on.

Your inquiry will be highly appreciated and responded with our professional service. We sincerely hope to establish a long term business relationship with you based on mutual benefit.

Company Vision

Be a professional supplier of diamond tools with global influence

Company Mission

Make progress and share achievements with employees

Company Core Value

Make customers satisfied with our professional service and high quality products

In 1995, we became one of the first practitioners of diamond tool industry in China. That year the first batch of sintered diamond saw blades were produced by our workshop and sold to European Market.

In 2015, we registered our own brand “SHDIATOO” and focused on quality and brand reputation.

In 2018, we introduced a new production line for vacuum brazed diamond tools, which are more advantageous and became more popular in the global market.

1995

2015

2018

2008

In 2008, Hongkong company (DIATOO CO., LIMITED) was established to expand our foreign trade business. It helped us to market our products to all over the world, including North America, Europe, South America, Australia, Asia and Africa.

2016

In 2016, we began to expand our products line to meet customers' various application requirement, including cutting, drilling, grinding, polishing, engraving and so on. And we constantly strive to improve the capability of customization.

ACCESSORY FOR CUTTING & GRINDING TOOLS

ACCESSORY

A6968

Inner Bore To Thread Adaptor

FEATURE & APPLICATIONS:

- Good quality steel, long life, and surface nickel plating;
- It can suitable for the blade or grinding wheel (bore is 22.23mm) attached to the Angle Grinder;

Art. No.	Thread
A6986T58	5/8"-11
A6986M14	M14
A6986M16	M16

ACCESSORY FOR DRILLING TOOLS

ACCESSORY

A698

Thread To Hexagonal Shank Adaptor

FEATURE & APPLICATIONS:

- Good quality steel, long life, and Surface Nickel plating;

Art. No.	Adapter	Shank Length	Total Length
A69858HEX	5/8"-11 male thread to 3/8 inch	28mm	53mm
A698M14HEX	M14 male thread to 3/8 inch	28mm	53mm
A698M10HEX	M10 male thread to 3/8 inch	28mm	53mm

A698TRI

Triangular shank

A698FA

Quick connect shank

A698

Thread To SDS Shank Adaptor

FEATURE & APPLICATIONS:

- Good quality steel, Strong Strength;
- Electrophoretic treatment, high-grade quality;

Art. No.	Adapter	Shank Length	Total Length
A69858SDS	5/8"-11 male thread to SDS Plus	45mm	72mm
A698M14SDS	M14 male thread to SDS Plus	45mm	72mm
A698UNCSDS	1 1/4"-7 UNC male thread to SDS	57mm	190mm

Art. No.	Adapter	Shank Length	Total Length
A69858SDSMAX	5/8"-11 male thread to SDS Max	120mm	159mm
A698M14SDSMAX	M14 male thread to SDS Max	120mm	159mm
A698M16SDSMAX	M16 male thread to SDS Max	120mm	159mm
A698UNCSDSMAX	1 1/4"-7 UNC male thread to SDS	100mm	190mm
A698PLUSDSMAX	SDS PLUS to SDS Max Shank		200mm

ACCESSORY FOR DRILLING TOOLS

ACCESSORY

A6981

Hilti Adaptor

BLBS

FEATURE & APPLICATIONS:

- Good quality steel, Strong Strength;
- Electrophoretic treatment, high-grade quality;

Art. No.	Adapter
A6981BLBS	Hilti DD-BL Chuck to -1/4"-7 (BS) Threaded Bit Connection
A6981NEW	Hilti DD200 Converting Adaptor
A6981BUBS	Hilti DD-BU to 1-1/4"-7 and 1/2 BSP Threaded
A6981FA	DD-BI to 1-1/4" UNC outside thread and 1/2" BSP inside thread

Drill Bit Positioner

FEATURE & APPLICATIONS:

- Made of engineering grade plastic, durable quality, not easy to get cracked;
- Accurate positioning and drilling;

Art. No.	Dia
A8500101	Diameter of hole 4/5/6/7/8/10/12 mm
A8500201	Available for drill bits from 4mm-65mm

ACCESSORY FOR POLISHING PADS

ACCESSORY

A639

Backer Of Diamond Polishing Pad(Rubber Body)

FEATURE & APPLICATIONS:

- Rubber body soft and strong, cooper thread, strong body provide longer working life and can bear heavy duty working and a little flexible;

Art. No.	Dia	Flange
A63903	3"(80mm)	M14
A63904	4"(100mm)	M14

Backer Of Diamond Polishing Pad (Foam Plastic Body)

A643

Backer Of Diamond Polishing Pad Super Soft (Rubber Body)

OTHERS

A559

Quick Keyless Flange For Angle Grinder

FEATURE & APPLICATIONS:

- Simple and easy to use, just spin it on and make it hand tight and when changing the disc it just spins off with no spanner or other tools needed.
- Have good compatibility, suitable for all interface angle grinders available on the market, and for most types of cutting discs, grinding discs, etc.

Art. No.	Dia	Thickness	Flange
A55901M14	46.8mm	13.5mm	M14

Our One-stop Service

Demand Customization

Provide one-stop demand customization service, you put forward product demand, we try our best to meet it, and provide the best product solution.

Brand Design and Packaging

Provide complete product brand design and packaging, and provide professional packaging solutions for your brand building.

Quality Control

With a complete and rigorous quality control process, the product quality and customer interests are guaranteed to the greatest extent.

Warehousing and Logistics

Provide high-quality warehousing and logistics services, and deliver high-quality products safely in the most cost-effective way.

After-sales Service

Provide high-quality after-sales service; we will never treat product problems lightly; Product quality is the core part we value most.
